Shooter starts from a standing position holding dummy in weak hand and a loaded .38 snub nose in strong hand pointing downrange at the backstop.

At buzzer shooter begins retreating to cover while engaging each target with a minimum of 1 round from the snubby and once it is emptied shooter may drop the dummy and place the .38 snubby on the table and draw his gun and continue to engage the targets in Bank 1 to attain 3 rounds minimum per target. Shooter may then proceed EITHER left or right to finish engagement of targets with 3 rounds each while slicing the pie.

This COF is shot low light first with the dummy and then low light without dummy or .38 snubby
