

Scenario: Coffee interruptus: In the light

DESCRIPTION: Having a morning coffee when BG attack. Start at P1 seated hands on knees, loaded to division capability with gun on table. At buzzer, turn on coffee maker then engage the three visible targets with two rounds seated. Stand up and engage the remaining targets with two rounds each.

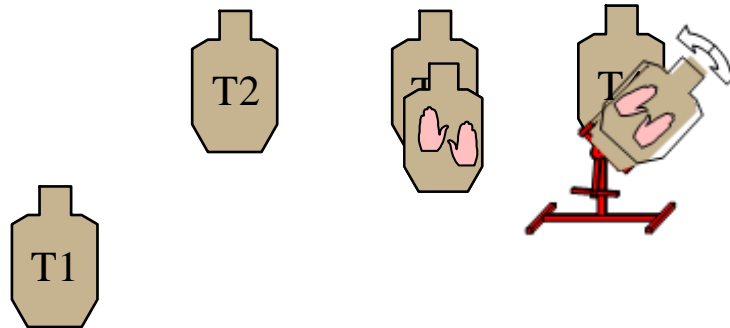

SAFETY REMINDERS: Don't Crowd Cover. Watch muzzle when standing and transitioning from barricade to barricade.

SET-UP: Peek-a-boo (or potentially drop turner) 10 yards from P1. Other two targets are at 8 yards but same priority. All other targets are between 7 yards and 12 yards from shooting positions.

DESCRIPTION: Start Loaded to Division Capacity

All Strings are Limited Scoring with a one round limit.

String 1: At P1 draw and engage target with one round to head.

String 2: At P2 draw and engage target with one round to head.

String 3: At P3 draw, move sideways if necessary, and engage target with one round to head.

String 4: At P4 pull rope to release swinger, draw, and engage target with one round to head.

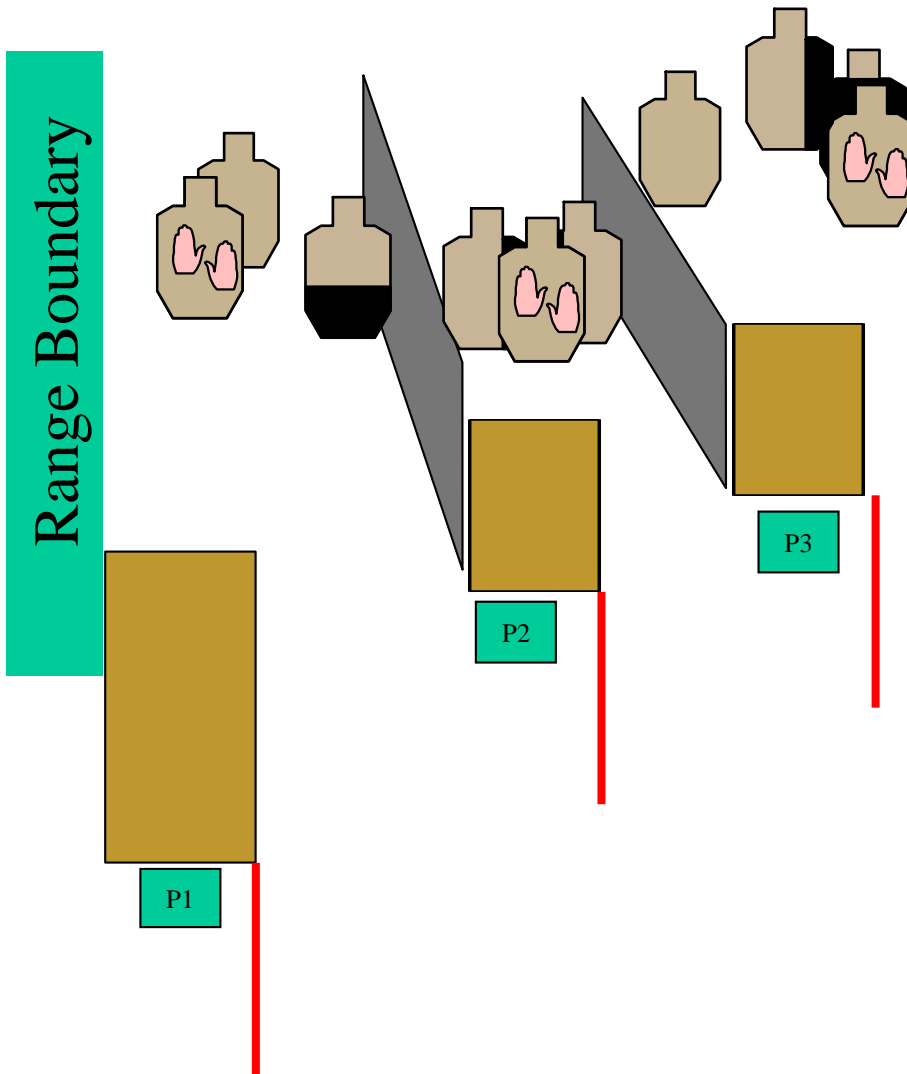

SAFETY REMINDERS: None.

SET-UP: P1 is 7 yards from targets. P2, P3, and P4 are 10 yards (P4 might a bit farther because non-threat at 10 yards). Non-threat on P3 should cover the whole head. Same with swing of non-threat on T4.
