

SCENARIO: Warehouse Worries – It's inventory time at the neighborhood ammunition depot and a gang of local miscreants are intent on stocking their own shelves. You have walked in the door to pick up your monthly case of pistol rounds when shouts are heard from the workers in back. Protect the stockworkers and your investment and ensure commerce is uninterrupted.

CoF DESCRIPTION: Start standing at P1, firearm holstered. At the buzzer, proceed to each stockroom in order, eliminating each threat with 2 shots each.

SAFETY REMINDERS: Be mindful of diagonal line of fire & barber poles

SET-UP: 3 walls with ports, 6 divider wall panels, 9 full threats, 4 non-threats. 13 stands, 26 1x3s

Stage 3: Methodical Marksman... or Master Blaster (Pit 2)
Sponsored by: Target Barn
Course Designer: Jeff Brunelle

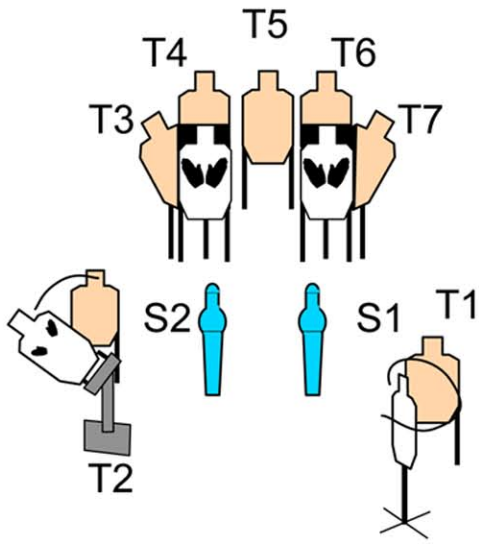

START POSITION: Standing at P1 gun loaded to division capacity and holstered, ammo carriers on body, hands relaxed at sides.

SCENARIO: You are caught off guard with no cover in sight when a gang of thugs decide to use human shields to get close enough to hit you with their Hi Points and bad marksmanship.

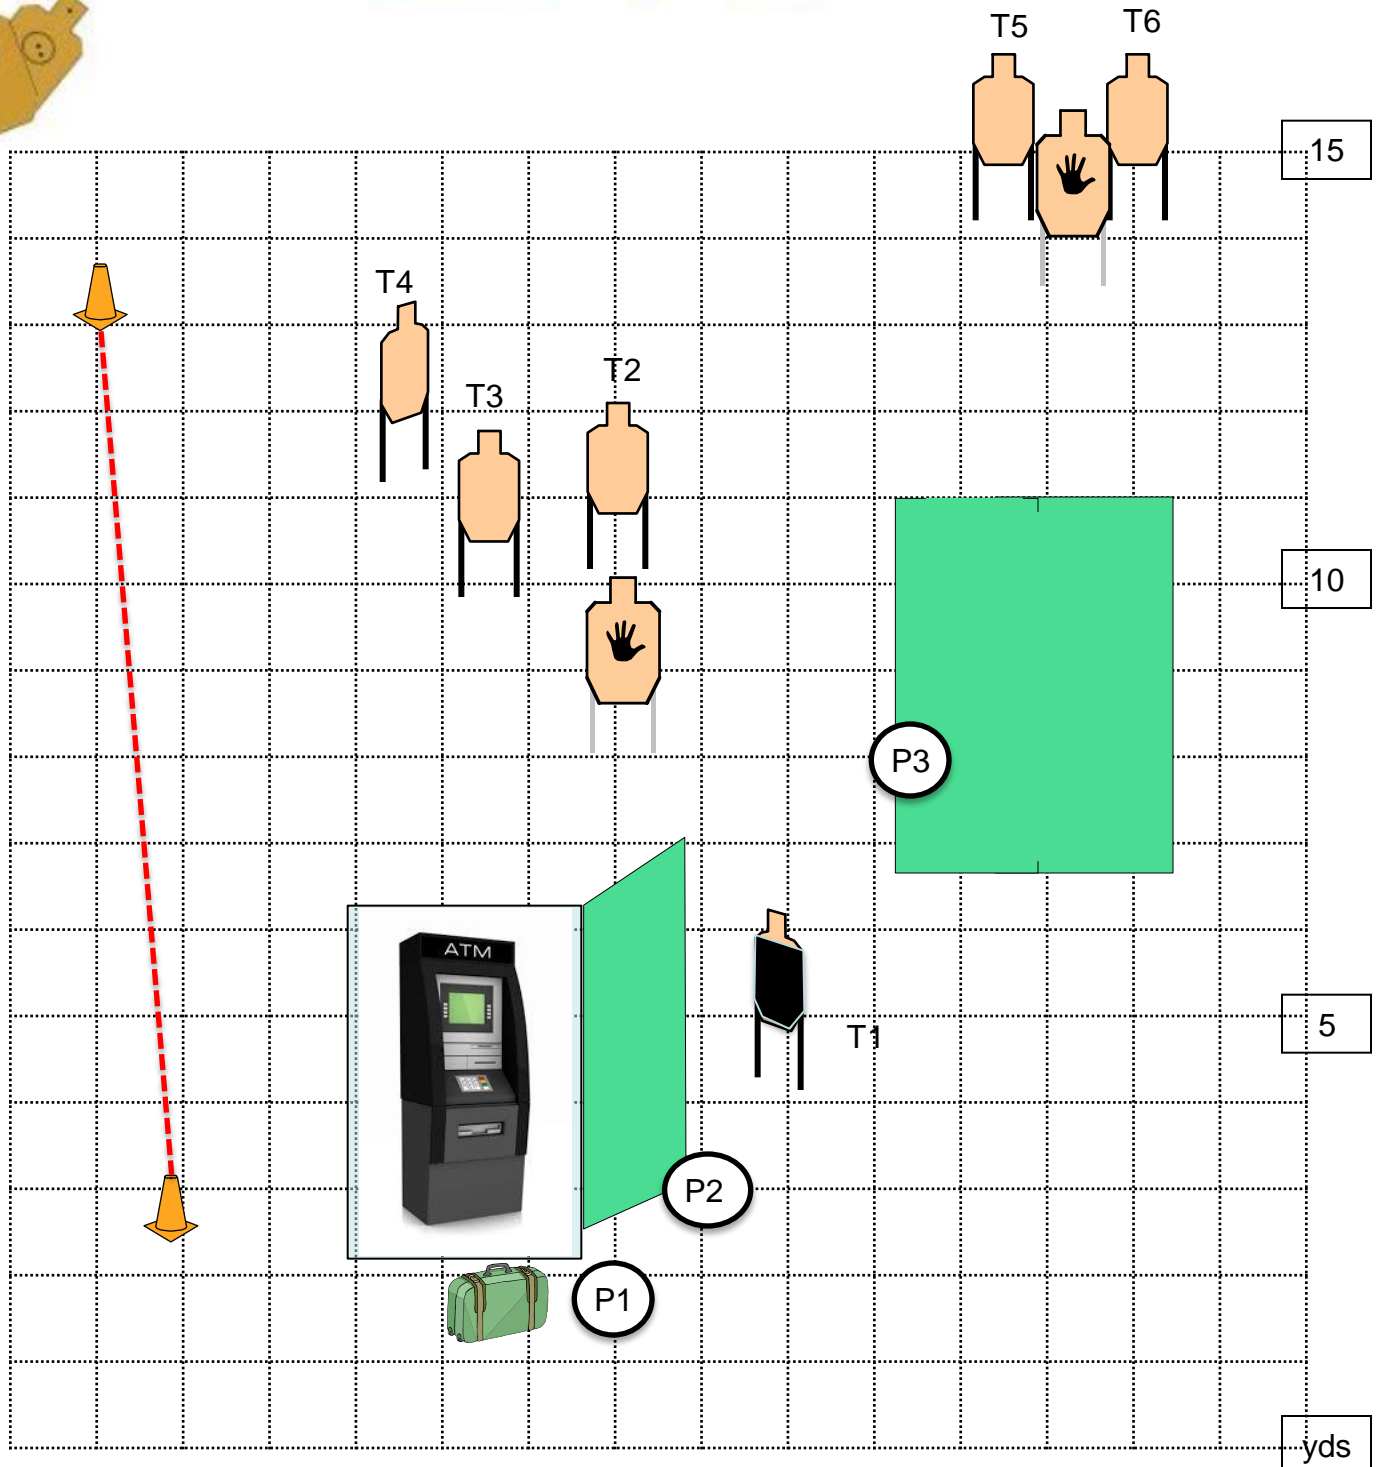

STAGE PROCEDURE: On the signal, draw and engage S1, S2 & T1-T7 using tactical priority from P1. There are three levels of priority near to far. T1&T2 are the highest priority when they are exposed. There is no cover available

SCORING: Unlimited (16 minimum)
TARGETS: 7 IDPA, 2 Steel, 4 NT
SCORED HITS: Best 2 on paper, steel must fall
START-STOP: Audible – last shot
RULES: IDPA
CONCEALMENT: Required
Set Up Notes: S1 reveals T1, S2 reveals T2
 Steel targets are priority level 2, T3-T5 are priority level 3. T1 is revealed by a moving drop turner non threat. T2 is revealed by a moving out and back non threat. T1 & T2 are priority level 1 when they become visible. T1&T2 are disappearing targets.

P1

SCENARIO: ATM Anguish – While withdrawing cash from the bus terminal ATM, you are accosted by a maniac with a machete. Then neutralize his buddies who are mugging other travelers in the terminal.

CoF DESCRIPTION: Start standing at P1, firearm holstered, suitcase in weak hand. At the buzzer, drop the suitcase, draw & point shoot your attacker with 3 shots, keeping support hand tight against chest to avoid unintended ventilation. (Don't shoot yourself, stupid!) Proceed to P2 for T2, T3 & T4. Finally move to P3 to access T5 & T6. All threats take 3 shots each.

SAFETY REMINDERS: Support hand **MUST** be against chest while point shooting, or Procedural Penalty will be assessed.

SET-UP: ATM (blue barrel will do), suitcase, 3 divider wall panels, 6 full threats, 2 non-threats, 8 stands, 16 1x3s
