7, 7 1/2 or 8 shot only allowed

Swinger covers both the shoot and No-shoot target – OK to try and take both shoot targets with 1 shot – as all targets are Deemed penetrable.

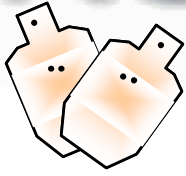

Shooter starts behind table with shotgun loaded with 1 round of birdshot and a maximum of 4 slugs on the table. At buzzer shooter knocks over the pepper popper which activates the swinger. Shooter then loads slugs into their gun and engages each shoot paper with a minimum of 1 round. Shooter then moves to wall & barrel and can load his gun with birdshot to maximum capacity. Steel lolly-poppers must be engaged from right side of wall and clay birds can be taken from left side or while moving to next wall. All remaining targets to be taken from left side of remaining walls.

Vickers count
