## Save the fish! Radical animal rights supporters attack!

**SCENARIO:** Fishing on the pier in New London when you reel in a big one. Radical animal rights supporters want you to feel the fish's pain.

**DESCRIPTION:** Shooter starts at P1 with firearm loaded to division capacity but unchambered in the tackle box with loading devices. At buzzer, hook the fish, drop the pole, retrieve the firearm, and engage all targets with two rounds each.

**SAFETY REMINDERS:** Shooter should be reminded to be careful when retrieving firearm.

**SET-UP:** Static target and Drop Turner are 12 yards from P1, Swinger is at 10 yards from P1. Remaining targets are arranged 5 and 10 yards from the P1. We will figure out the actual distances on match day. A fishing pole activates swinger. A popper behind standard static target at 12 yard activates drop turner. The tacklebox (toolbox) is on a table with muzzle facing downrange.
