Indoor 22 Handgun & Rifle Falling Plate Matches

We will be running these matches indoors utilizing .22 rimfire ammo only.

* Man on Man format with a minimum of 5 practice runs before we break shooters up into A & B class. After classes are formed it will be a minimum of double elimination and you are out.

6 plate format and it does not matter if you are using a dot or iron sights. If you are shooting iron sights against a dot, the iron sight shooter gets one less plate than the dot shooter.

We will be alternating months of handgun or rifle but if you only have a rifle then bring it to the handgun shoot and if you only have a handgun then bring it to the rifle shoot, we will make accommodations.

* Attendance level dictates if we shoot more than the minimums

Start time is 9:30 AM ---- Match fee is \$5.00 for everyone

Free Coffee will be available
