April 24th – Centerfire PCC

Metacon Gun Club

106 Nod Road Simsbury, Ct. 06070

Indoor 22 Handgun & Rifle Falling Plate Matches

We will be using Practiscore for registration which is limited to the first 20 shooters

We will be running these matches indoors utilizing .22 rimfire ammo only unless otherwise noted.

The December & April shoots will be the only centerfire gun events.

* Man on Man format with a minimum of 5 practice runs before we break shooters up into A, B & C class. After classes are formed it will be a minimum of double elimination and you are out.

6 plate format and it does not matter if you are using a dot or iron sights. If you are shooting iron sights against a dot, the iron sight shooter gets one less plate than the dot shooter.

We will be alternating months of .22 handgun or .22 rifle but If you only have a .22 rifle then bring it to the .22 handgun shoot and if you only have a .22 handgun then bring it to the .22 rifle shoot, we will make accommodations.

We also have two months on the schedule for centerfire firearms

* Attendance level dictates if we shoot more or less than the minimums

Start time is 9:30 AM. Match fee is \$5.00 for everyone including Metacon members.
