

18 rds Minimum – Concealment Required
Flashlight is required

Shooter starts at P1 with briefcase in weak hand facing downrange with door closed. At buzzer shooter drops briefcase draws his gun and light and pushes open the door to expose T1. Shooter engages T1 with 2 rds. min. Shooter may then start moving in and as he does he is exposed to T2

Shooter engages T2 with 2 rds min. before shooter reaches P2. At P2 shooter may then choose to go either left or right but all rooms must be cleared of threats. Shooter must utilize cover, slice the pie and perform reloads as needed to complete this task.

The black lines signify walls made of plastic, tarps or paneling. All impacts must be in the backstop. Position targets as need to achieve this. No shooter is to go forward of red line while shooting. The upper half of port door can be used with the lower half fully open.

Room Clearing
