Stage 2 Set-up Notes: Far target is placed 15 feet from barrel, middle target at 10 ft. and close target at 5 ft.

Also position targets so that they **MUST** need to be engaged from each side of the barrel when kneeling behind the barrel, thus forcing the shooter to engage from each side of barrel.

String 1: Shooter starts standing behind barrel facing down range with gun pointing downrange on barrel. At buzzer shooter picks up gun and places 1 round in each target in Tactical Sequence with WEAK HAND STANDING

String 2: Shooter starts standing behind barrel facing down range with gun pointing downrange on barrel. At buzzer shooter picks up gun and places 1 round in each target Tactical Sequence STRONG HAND STANDING

String 3: Shooter starts standing behind barrel facing down range with gun pointing downrange on barrel. At buzzer shooter picks up gun and engages the nearest target with 1 round as he/she goes to 1 knee minimum behind the barrel taking cover and places 1 rd into each target from either side of barrel.
