

NORTHEAST

Combat Pistol League

Course of fire scenario name: "Falling Down"

You draw and shoot a thug trying to kill you. Targets represent a threat trying to harm you while falling.

Shooter begins with gun holstered or at low ready. At signal, shooter engages T1, T2 & T3 with 1 round and then re-engages T3 & T2 with 1 more round each. Repeat.

5 Rounds per string. 10 rounds total Scored Limited Vickers

Set-up notes: All targets at same distance. Concealment Not Required
