**Course of fire scenario name:
"BUG-LITE"
Back Up Gun (BUG version)**

You are accosted by a group of armed thugs. They knock you to your knees and move to surround you.

At signal from kneeling and low ready shooter uses flashlight in weak hand to blind T1. He then engages T1 thru T3 in tactical sequence with 1 round each and finish with 2 shots to T1. Repeat stage for 10 rounds total.

Set-up notes: Keep target frames short for safety. All targets are covered with t-shirts. Low light or no light as Match director sees fit. Keep shooter to target distance as close as possible.

Per IDPA Back Up Gun Division rules page 26 "maximum # of rounds loaded is 5"
