

If no revolver shooters are present target engagement will be 3 rds min.

Engagement could be 1-1-2 then 1-1 or 1-1-2 then 1-1 then 1-1-1 or 1-1-1 then 1-1-1 then 1-1-1

Scenario: While seated with 3 friends eating dinner in a local restaurant. You hear a commotion coming from the kitchen area. Suddenly 3 black jacketed gunmen burst through from the kitchen door, you stand and draw your gun and neutralize them in Tactical Sequence. You then move to the kitchen door and see that they have the chef by knifepoint. You neutralize these 3 thugs utilizing slicing the pie.

Procedure: Shooter starts with gun loaded facing downrange holding eating utensils. At buzzer shooter stands and draws firearm and engages T1, T2 & T3 with Tactical Sequence. Shooter moves to door and shoots T4, T5 & T6 as he sees them utilizing cover of doorway. Tactical Sequence means specifically engaging all targets with 1 round each before you engage with any additional rounds.

12 or 18 rds. Min.
